

## Sprint 4 Plan

**Product name:** Peergrader

**Team name:** Peergrader

**Sprint completion date:** Jun 4, 2024

**Revision number:** 2

**Revision date:** May 22, 2024

**Goal:**

Maximum total hours/story points per Sprint: 75

### User Stories:

- ~~1) User Story 4.1 [15 story points] As a student I want to be able to dispute a score.~~
- ~~2) User Story 4.2 [30 story points] As an instructor I want to be able to sync grades with Canvas API.~~
- ~~3) User Story 4.3 [20 story points] As an instructor and student I want to be able to notify students/get reminders about assignment deadlines and grades.~~
- 4) User Story 4.1 [15] As an instructor I want to be able to see the scores students have been given and what I lost points for and export to CSV.
- 5) User Story 4.2 [15] As an instructor I want to be able to have customization over course settings to suit my needs.

### Backlog

- 6) User Story 3.2 [15 story points] As an instructor I want to be able to see the progress the class has made on turning in and grading.
- 7) User Story 3.3 [15 story points] As a student I want to be able to see the scores I have been given and what I lost points for.
- 8) User Story 3.4 [15 story points] As a student or teacher I want to be able to customize my profile.

### Tasks Listing:

#### User Story 4.1

- Display the breakdown of the student's scores by student
- Show which rubric rows were selected by each student
- Show the comments/feedback from other students
- Export grades to CSV

#### User Story 4.2

- Add more settings to the create course page.
- Redo the UI

### User Story 3.2

- Display a progress bar
- Display all the students and their current progress

### User Story 3.3

- Display the breakdown of the student's scores by student
- Show which rubric rows were selected by each student
- Show the comments/feedback from other students

### User Story 3.4

- Create a profile page
- Change name
- Change picture
- Delete account

### Infrastructure:

- Postgresql database: Supabase
- Storage (files): Supabase
- Deployment: Vercel
- GitHub: Version control
- Framework: next.js

### Team roles:

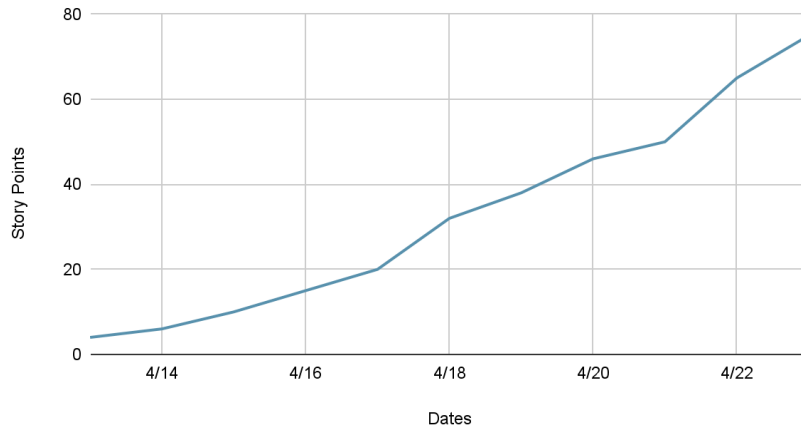

- Christian Knab: Product owner
- Aastha Verma: SCRUM Master
- Eliah Reeves: Team member
- Eric Chuang: Team member

### Initial task assignment:

- Aastha Verma: User Story 3.3, 4.1 UI for pages & polish UI on other pages
- Eliah Reeves: User Story 4.1 Student score export
- Christian Knab: User Story 3.4, 4.2 Polish profile page & add photo
- Eric Chuang: User Story 4.1 Compute the student's score

### Burnup Chart:

## Peergrader SPRINT 4

## SCRUM board

User Story	Not Starter	In Progress	Done
As an instructor I want to be able to see the scores students have been given and what I lost points for and export to CSV.	Export grades to CSV	Display the breakdown of the student's scores by student  Show which rubric rows were selected by each student  Show the comments/feedback from other students	
As an instructor I want to be able to have customization over course settings to suit my needs.		Add more settings to the create course page.  Redo the UI	
As an instructor I want to be able to see the progress the class has made on turning in and grading.		Display a progress bar  Display all the students and their current progress	

As a student I want to be able to see the scores I have been given and what I lost points for.		Display the breakdown of the student's scores by student	<p>Show which rubric rows were selected by each student</p> <p>Show the comments/feedback from other students</p>
As a student or teacher I want to be able to customize my profile.	<p>Remove yourself from a class</p> <p>Delete account</p>	<p>Change picture</p> <p>Display profile across website</p>	<p>Create a profile page</p> <p>Change name</p>
